All post-secondary institutions and their faculties have a variety of prerequisites. *Taking the time to ensure that you are meeting the entrance requirements for your school and program of interest is your responsibility.* Counsellors and our career advisor, Ms. Solgaard, are here to help you, but you will have to do some research on your own as well.

Below are the courses that the post-secondary institutions *typically* accept on their "approved courses" list. You will need to take English Studies 12 or English First Peoples 12 plus a certain combination and number of these courses:
