

## Accessing Student Marks in Gradebook Through The MyEd Student Portal

WJ Moutat  
Secondary School

This guide will help students/parents log into the MyEd Student Portal to view student progress in their courses. Note that MyEd Gradebook is optional for teachers to use to report student progress. While many teachers will be using MyEd Gradebook, some will have already informed you if they have chosen to use another form of gradebook or other means of regularly reporting student progress. When viewing the gradebook in the student portal, you will find that your teacher may have chosen to display class marks as a percentage, proficiency on a Curricular Competency (the 4-point scale of extending, proficient, developing, and emerging), or a combination of both.

You should already be familiar with the MyEd Student Portal as it is where you look at student schedules, report cards, and input your course planning in the Spring. If you are unfamiliar with the Portal, there are instructions on the Yale website under **"Parents/Students > MyEdBC"**. If your password doesn't work, follow the "Help, I Forgot my Password" instructions BEFORE asking for a password reset from [sherri.draayers@abbyschools.ca](mailto:sherri.draayers@abbyschools.ca)

When you log on, go to the **"Academics"** top tab.
