

August 25, 2023

Dear Parents and Students:

Welcome to WJ Mouat Secondary. With a couple of weeks to go before “D Day” we are sure that parents are excited for going back to school while students have a mixture of anticipation, excitement, or even anxiety. On behalf of the entire staff, I am happy to welcome everyone back to WJ Mouat Secondary School. We are looking forward to September 5, 2023, and the official start of another year. I want to assure you that we are continuously working to create a safe environment for your return. Please read the enclosed information carefully.

I would like to send a special welcome to our new Grade 9 students, the class of 2027. Our school has much to offer, and we are excited to have you join our family. We know that you will add to our traditions of excellence and Hawk Nation.

I would also like to recognize this year’s incoming Grade 12 students, our graduating class of 2024. This will be an incredibly special and important year for our senior students. As the graduating class, you will provide leadership, and hold our traditions in all aspects of student life. Your role as leaders within our community is a significant responsibility and directly contributes to WJ Mouat’s outstanding level of excellence. We are confident you will meet our expectations as student leaders, and we know that with hard work and dedication you will enjoy a year of success and reward while building many life-long memories.

All students are encouraged to become involved in school life and become a part of our Hawk Nation that has made Mouat an amazing place to learn and work. There are many ways to enrich your life in our community through academics, electives, extra-curriculars like clubs, and athletics.

Parents, we invite you to become an active partner in all aspects of the school. The Parent Advisory Committee meets the third Monday of each month starting with September 25, 2023, at 7pm in our Library Learning Commons. This is a wonderful opportunity for parents to become involved in the school and all parents/guardians are highly encouraged to join us.

Communication - How do I know what is happening at school?

We are hopeful that parents and students will utilize all our communication tools to stay informed about news at Mouat. Updates are provided by the following platforms:

- <https://wjmouat.abbyschools.ca/>
 - Check out Announcements, Calendar, and News
- Twitter, Instagram, or Facebook - @WJMouat
- MySchoolDay app (for students)
- News from the Nest
 - emailed every Sunday night at 5pm to Parents, if you have included an email in your contact information check your email folder and it is also available on our website under “News.”

MyEdBC Portal

Grade 10-12 students, will have access on Monday, August 28 (that is when the program will be completely updated with this year’s information by the Ministry), please ensure that you and your parents can log in to *the MyEdBC family portal*.

NOTE:

students will need to use their abbyschools.ca email address NOT their learn34.com email address. Check out the Appendix for complete instructions or online on our website under announcements AND the parent/student tab, then MyEd

Grade 9 students and their parents have not been attached to the MyEd Portal. Grade 9s you will be walked through this process in the first few weeks of school (do not worry).

- The portal can be accessed at: <https://myeducation.gov.bc.ca/aspn/logon.do>
- Instructions can be found in the Announcement section of the website AND under the Parent/Student tab (MyEd)
 - <https://wjmouat.abbyschools.ca/parentsstudents/reportcardtimetable/wjmouat>
 - or check out *Appendix 1*
- I Forgot My Password Instructions can be found in the Announcement section of website AND
 - <https://wjmouat.abbyschools.ca/parentsstudents/reportcardtimetable/wjmouat>
 - or check out *Appendix 2*

The MyEd BC family portal is linked to your child's @abbyschools.ca email address and they have ability to reset the password. Please have your child share their email address (see Appendix 1 or the website) and password with you. The MyEd BC portal is where you and your child can find their schedule (timetable), report card(s), their teachers' gradebook (missing or overdue assignments etc.) and a record of their daily attendance.

Has your contact information (phone number, address, or email address) changed over the summer? If you would like to update your contact information (address, phone, email) or you have any issues with the portal, please send an email to sherri.draayers@abbyschools.ca In the subject line, please include MyEd Portal and your request (example, cannot access or update email or updating contact information).

If you have forgotten your account or password, check the website under Announcement "Help, I Forgot My Password." Please note students that your email is your @abbyschools.ca address, then hit I forgot my password and answer your security questions – see Appendix 2 for more directions. Do not contact your counsellor for MyEd support they do not have the ability to change or fix MyEd access.

Student Timetables

Grade 9 students will receive a paper copy of their timetable at our August Orientation and on the First Day of School.

Students must check their schedule for any errors or missing courses. If you would like to request a change, please book an appointment using the link corresponding to your grade (visit the announcement section of the website for the links). There will be limited options for change as most courses are full. If you are unable to change, you will be added to the waitlist and should attend the courses on your schedule.

Check out the Course change information on the website under Announcement (a link will be provided after August 28) – check out the Announcement section of the website, with the title "Course Changes."

If you would like to request a course change, book an appointment using the online link (available in the Announcement portion of our website after August 28). Please note – we will not be conducting course changes during the first week of school. All course changes must be completed before September 5, 2023.

- Grade 12 course changes by appointment– August 29, from 9 to 4pm
- Grade 11 course changes by appointment – August 30, from 9-4pm
- Grade 10 course changes by appointment - August 31, from 9-4pm
- International and New Students Registration - August 31, from 9-11am with International Dept.
- Grade 9 course change by lineup and form – September 5, from 11:45am to 2:30 pm (in person, in the pm, first in the queue)

Why didn't I get all the courses I requested?

Your timetable was built based on your course selections in March of 2023. If one of your selections conflicted with another course, we used your alternates to the best of our ability to provide a replacement course. Every effort will

be made to honour your request working within class size and composition requirements. An updated timetable will be available in your block A class on the first day of school. Please look over your timetable to ensure that you have eight courses plus any outside the timetable classes.

Which priority is your course request?

- a. PRIORITY 1 - You have less than 8 courses scheduled for the year OR you are missing a graduation requirement OR you have been put into an incorrect grade level core course (except those who have failed a course).
- b. PRIORITY 2 - You have a course in your timetable that you have already completed and received credit for OR you are a grade 11-12 student who requires a course to meet post-secondary program requirements.
- c. PRIORITY 3 - You've changed your mind (from original request, would like to change elective, balance timetable, etc.).

Counsellors have received your summer school course completion and marks and will be making changes to your timetable on Monday, August 28, 2023. We will make every effort to adjust your timetable accordingly. Only courses that are fully complete will be considered; AVS courses which are in progress are not considered complete.

Students are assigned a counsellor and administrator based on their surname as follows:

- Ms. Thompson and Mr. B. Sidhu – A-Gi
- Ms. McAleese and Ms. Webster – Gh-N
- Mrs. Nyberg and Ms. Rajabally – O-Z

Please see our website for a direct link to staff emails: <https://wjmouat.abbyschools.ca/about/staff>

Grade 9 Orientation

This year's grade 9 orientation will be held on Wednesday, August 30, 2023 @ 10am at W.J. Mouat Secondary. This is a fantastic opportunity for students to get a tour of the building while meeting our best grade 11 and 12 students. Students can pick up their timetable at the end of the orientation. Timetables will not be available before the orientation, if you are unable to attend, you will receive your timetable in your Block A class (lists posted on the Friday before school) on Tuesday, September 5, 2023.

Opening Week for Students

Tuesday, September 5 ONLY Grade 9s to attend. Last year, we restructured our entire first week to better support the transition of our newest Hawks. Grade 9 students will begin in their Block A class, participate in a welcome activity, and then rotate through their schedule without the normal hustle of the schools 1150 other students. Attendance is mandatory. Please bring paper and a pen but otherwise travel light. Lists will be posted outside the main entrance and staff will be there to help you find your way. Grade 9s please arrive by 8am. Class begins at 8:10am.

Wednesday to Friday, September 6-8 All Students to attend.

Students will attend their Block A where attendance will be taken and reported to the School Board office. Failure to be in your Block A class may result in your child losing their course selections as we unenroll based on attendance throughout the week. Grade 10-12 students please check your schedule online via the MyEdBC portal, so you know your Block A class; in addition, staff will be available to help you find your class.

From Block A, students will rotate through each of their four classes. Each day of the first week will follow the same rotation A, B, C, D – meaning your child will start their day with the same teacher/ class for the week. In addition, each day we will have a BBQ for a specific grade class – listen to announcements or check the website calendar.

- Tuesday – Grade 9’s only – school starts at 8:04 (warning bell), in class no later than 8:10; dismissed at 10:55am
- Wednesday-Friday – all Grades - school starts at 8:04 (warning bell), in class no later than 8:10; dismissed at 2:24pm

Here is the bell schedule for this year. Remember the block rotation starts the second week of school and Fridays are either an SLO or a Tutorial Time:

Parent and Student General Information:

1) SLO and Tutorial Time on Friday

SLO

Once again, this year, we will have SLO (Structured Learning Opportunities) days for Mouat staff. On an SLO day, staff will be participating in learning opportunities to continuously refine our teaching practices. SLOs happen on Fridays from 7:58am-9:24am and there are ten (10) SLO days throughout the school year. During SLO Fridays, the school is

open and non-teaching staff will be available for supervision of students in our Cafeteria. Bus students will be transported at their regularly scheduled pick-up times.

- Semester 1 SLO Days: September 15, October 13, November 24, December 8, and January 19
- Semester 2 SLO Days: February 2, February 9, March 8, April 12, May 31

Tutorial Time

We are excited to continue Tutorial Time on Fridays. Tutorial time is a chance for every student to take advantage of extra time with one of their four teachers every Friday (except SLO Fridays). Tutorial time is an opportunity for students who:

- Are behind in their work OR who need to catch up on learning, assignments, or assessments (think NHI work)
- Need extra help with their learning from one of their teachers (think one on one time bonus time)
- Are excelling and are ready for additional learning or challenges.

Some students will be required to attend Tutorial Time and have been spoken to by their teachers. Attendance is not optional for students who are required to attend. Teachers will notify the families of these students by either email or phone call. For students who are up to date in their classes and who are performing well in their learning, regular classes begin at 9:24am on Friday.

Please note: every teacher will be available every Friday (except SLO days) from 8:04 to 9:24 for learning support, one on one time or extended learning opportunities.

2) BYOD

We are excited to continue our transition to a Bring Your Own Device (BYOD) school. Students who have a device (Chromebook, Winbook, PC, MAC, or iPad) may bring their device to school. Please complete the BYOD Consent Form (see attached document *Appendix 3*) and bring your form and device to Ms. Mangat in the Library Learning Commons. Ms. Mangat will take down your devices' information (computer IP address) and add you to our closed Wi-Fi system. Within 72 hours you will be able to use your device within the school and across any site within the district. Students who completed this at their middle school or in a previous year will automatically have their device renewed for the next year. Students can have one BYOD registered device only.

Parents, there are several options for a BYOD device. We recommend a Winbook (PC) or Chromebook (Google) with 5 RAM of memory. You can purchase new or better yet, used. We do NOT recommend an iPad (it does not interface well with apps that teachers use) or an expensive MacBook (it is too expensive for school purposes). *All grade 9-10s will need to have a BYOD device and if you used a BYOD device in middle school, this would do fine at Mouat.* Grade 11-12 students may bring a BYOD device at their discretion and are encouraged to do so. Check out more details at: <https://wjmouat.abbyschools.ca/parents/byod>

3) School Supplies

As we transition to BYOD, we have kept our request for school supplies to a minimum. A simple three ring binder, some lined paper, a pen, and pencil. Math teachers will have specific information on a calculator.

4) Lockers

Grade 10-12 students will keep their same locker from last school year. Grade 9 students and NEW students can request a locker at lunch during the second week of school outside the office.

5) Closed Campus

Just a reminder that W.J. Mouat Secondary is a closed campus, which means all visitors must report to/ sign into the office.

6) Attendance and Lates

A reliable indicator of student success is consistent attendance at school. Students who attend all their classes all the time experience greater success in school. We input daily attendance as required by law and track student attendance as it relates to student progress. We ask for your help and cooperation in the following ways:

- Students are expected to be at school and in class **on time**.
- It is the student's responsibility to be punctual in class.

In accordance with the school district, WJ Mouat uses the Safe Arrival App to report student absences. If your child will be late or absent, please use the app to excuse. Parents, please see the attached document ([Appendix 4](#)) to set up your account using the email address the school has on file. Do not share this account with your child. You can call in your child absences by using the following toll-free number 1-844-487-3701.

7) School Fees

In accordance with District Policy AP 317, the student activity fee for secondary school is \$25 which covers the student agenda, guest speakers, student ID cards, school events, student recognition, student leadership, locks, and locker rental. If you have not done so already, it's recommended parents sign up and create an account on SCHOOL CASH ONLINE <https://abbotsford.schoolcashionline.com/> Check out the attached document ([Appendix 5](#)) for complete information. Most school fees can be paid online, and we appreciate your attention to this responsibility as soon as possible. Some courses will have supplementary workbook and supply fees – teachers will discuss this at the start of your class. Yearbook sales will be ongoing, and we do encourage students to purchase early.

Student fees which are unpaid carry forward to the next school year. All school fees must be paid to graduate.

8) Photo Day

Vibrant Photos will be here on [Wednesday, September 13, 2023](#). All students must have their photo taken and there is no obligation to purchase photo packages. These photos are used for student ID cards and our school yearbook. Students will be called down by grade.

9) Grad Photos

Vibrant Photos will be at Mouat from [January 8 to 18th, 2024](#). Check out the website under "Calendar" or "Announcement" closer to the date for a link to book your appointment. The link will also be available in the Grad 2024 Teams Classroom. All Grade 12 students must have their photo taken and the sitting fee will only apply to graduates who would like a copy (proofs) of the photos taken during their session. Purchasing graduate photos is not mandatory, and we do use the photos for the yearbook (with graduate quote), graduate composite (framed in the school), and the graduate photo slides at Grad Convocations in June.

10) MySchoolDay App for Students

Students are encouraged to download the MySchoolDay app from the App Store or Google Play. Check out the attached document ([Appendix 6](#)) for Key Features and Information.

11) Medical Alert

A medical alert condition is defined as a physician-diagnosed with potentially life-threatening condition such as: diabetes, epilepsy, severe asthma, serious heart condition(s), blood clotting disorder(s), anaphylaxis (history of severe allergic response).

Parents / guardians are responsible to complete the medical alert form and/ or update this form each September. These forms will be kept in student files, on a reference list in the office, as well as be provided to staff members who work with these students. In emergency situations, a parent/ guardian (or emergency contact) will be contacted, and the student taken to a hospital if necessary.

12) Student Parking

Students who would like to drive to school and park within the Mouat campus are required to have a Parking Pass, see Ms. Zemp in the office for the form. Student parking is in the designated student area only. Students are expected to drive respectfully and responsibly to/ from school and on our campus lot. Students cannot park in visitor or staff parking. Parking illegally (not within a parking stall or without a parking decal) may result in the student's car being towed at the owners' expense. Parking at school is a privilege. Unsafe driving practices will result in this privilege being revoked.

13) Student Agenda

Parents and students can find an electronic copy of our Student Handbook/ Agenda (formerly Planner) on the school website under Student and then Student Agenda - <https://wjmouat.abbyschools.ca/student-agenda> The agenda includes our school Code of Conduct (expectations for students) and the district's Fair Notice Letters.

14) Grad Handbook

The Grad handbook will be available after September 5, 2023. Grads and their parents can find an electronic copy of our Grad Handbook on the school website under Student and then Grad - <https://wjmouat.abbyschools.ca/students/grads> . Please take a moment to download and read. We encourage all grade 12s to join our Grad Teams Classroom where we will post updates throughout the year.

Parents, please book your calendar for our Grad Parent Meeting on September 19 from 7pm in the Theatre.

Grads, please book your calendar for the first graduate event of the 2023-24 school year – Grad Cruise – September 21, 2023, from 4pm to midnight.

15) School Plan

Parents, you can find our updated School Plan at <https://wjmouat.abbyschools.ca/school-plan> which outlines the work, we as educators, plan to engage in this school year. You will also find exemplars (pictures and stories) of our journey.

16) COVID

Please ensure that the school has your regular email address. Reminder, masks are a personal choice and please stay home if ill.

17) Parental Involvement

As your child gets older, we encourage parents to become more involved in your child's education and school activities. We love to have you involved in our school and see how your child spends their day. We welcome your involvement in the ebb and flow of W.J. Mouat Secondary. We have developed a tradition of parent helpers with our exceptional Parent Advisory Committee (PAC):

- join their PAC Facebook group at <https://www.facebook.com/groups/wjmouatpac/>

The best way to stay on top of things that are happening at our school is using our W.J. Mouat website and you can also follow us on Facebook, Instagram, or Twitter but you will find excellent information, regularly updated on our website <https://wjmouat.abbyschools.ca/>

We are excited to share your child's learning journey next year.

Sincerely,
Mrs. Pollastretti, Principal

AP 334-3 Bring Your Own Device (BYOD) – Consent Form

This consent form is provided to parents and students so that an informed choice may be made with regard to consent to use a personal device, such as a laptop.

The Abbotsford School District recognizes that digital devices are valuable resources for learning. The Bring Your Own Device (BYOD) Program is an optional program available in some Middle and Secondary Schools, that allows students to use personal devices limited to laptops, Chromebook or tablets. Smartphones are not included in the BYOD Program.

Participation in the BYOD Program requires district approval. The district expects that students should be using BYOD devices for educational purposes.

Although staff will endeavor to support students in the classroom, the district has no liability or responsibility at any time or location for technical support, device theft or damage, or loss of data. BYOD users are subject to school and class expectations, as well as AP 334 - Online Communications & Digital Learning. The district, through school administrators, reserves the right to access any files on the device in case of misuse, suspicion of misuse, or other activities in violation of the district's Student Code of Conduct. Misuse of devices may result in their removal from school networks and a request to remove the devices from school property.

Parents/Guardians may wish to include personal devices used on school property in their personal insurance coverage.

Safe Arrival – Report a student absence online.

The Abbotsford School District utilizes an automated student attendance management system called SafeArrival, offered through SchoolMessenger®, the company that hosts our parent notification system.

With SafeArrival, you can report your child's absence in advance using any of these 3 convenient methods:

1. SchoolMessenger App

Using your mobile device, download and install the SchoolMessenger app from the [Apple App Store](#) or the [Google Play Store](#). The first time you use the app, select Sign Up to create your account using the email the school has on file for you. All Abbotsford School District students (or "Your children") associated with your email address will automatically be populated. If you do not see your child listed, please call the school to ensure that the same email address is being used. From the drop-down menu on the top left corner Select Attendance. Click on the plus (+) sign on the top right corner then Report an Absence.

2. SafeArrival Website

Using the SafeArrival website, go to: go.schoolmessenger.ca. The first time you use the website, select Sign Up to create your account using the email address the school has on file. If you do not see your child listed, please call the school to ensure that the same email address is being used. Select Attendance then Report an Absence.

3. Toll-Free Number

Call 1-844-487-3701 to report an absence using the automated phone system. You will need to enter the phone number the school has on file for you.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time.
