# How to Complete Grade 9

## Required vs Elective Course

Some courses you must pass and others you do not in order to graduate.

For example, you must pass English 9 before you can do English 10.

## Summer School

Some courses you can take in summer school and others are not offered.

The only grade 9 course offered at summer school is Math 9.

If you know that you have failed one of the required courses in semester 1 and you did not repeat it in semester 2, you must sign up for that course when you are selecting courses for next year.

## Math Paths at WJ Mouat Secondary School

The purpose of this chart is to provide general guidelines. There will always be exceptions.

## Did you know...

- You must pass one Fine Art (Music, Art, Drama) or Applied Skills course (Business, Drafting, Foods, Textiles, Metal, Wood, Power Technology, Electronics and Robotics) at the grade 10, 11, or 12 level before you graduate. *Languages, Fitness & Conditioning, Outdoor Ed., PE, Student Leadership, Work experience and Journalism do NOT count as a Fine Art or Applied Skill credit*
- If you plan on having a support block or study block (grade 12 **only**), still choose 8 courses and your counsellor will make adjustments later.

# I Bet You Didn't Know...

## You build the timetable

The courses we offer are based on what you and your peers choose now! This is your best opportunity to get the courses you want. In August, the timetable is already built and you will have to choose from whatever has space available.

So make wise choices now.

## Languages

You do not need a language 11 to graduate; however, SFU and UBC do require a second language for entry.

If you speak and write Farsi, French, Punjabi, Spanish, Japanese, Mandarin, or Korean you can get a language 11 or 12 credit by writing the Language Challenge Exam in grade 11 or 12.

## Course Planning Guide

Go to the WJ Mouat website to get detailed descriptions of each course and to make sure that you have the correct prerequisites.

Parents & Students → Student Services → Course Planning → Course Selection Guide

# Additional Language Info

- How do I get my language credits?
  - French 9, 10, **and** 11 or Intro Spanish 11 **and** Spanish 11 or Language Challenge exams.
- If you speak and write Farsi, French, Spanish, Punjabi, Mandarin, Korean or Japanese you can apply with the Delta School District to write the Language Challenge exam (apply in October each year).

## Indigenous Content

Sometime between grade 10 to 12, you must complete at least one Indigenous focused course in order to graduate.

This means that you could take an English First Peoples 10, 11, or 12

OR

A Social Studies option: Contemporary Indigenous Studies 12 or BC First Peoples 12

## Next Steps

- Read course descriptions on school website (Parents & Students → Student Services → Course Planning → Course Selection Guide).
- Discuss course selections with your parents/guardians/teachers/counsellors.
- **Log into MyEd and pick at least 8 courses (6 required and 2 electives + 2 alternates).**
  - ◆ **French Immersion: choose Eng 10, Science 10, a Math 10, Sciences Humaines 10, PE 10, FCLE 10, and FRAL 10 plus 1 elective and 2 alternates.**
- If you are having trouble logging in with your pupil number and password, please email [sherri.draayers@abbyschools.ca](mailto:sherri.draayers@abbyschools.ca) from your **AbbySchools**.
- Select and post your courses by **Feb 20, 2024** or your counsellor will do it for you.
