Second Language

- A second language is NOT required for graduation but some post-secondary institutions do require a second language up to grade 11 for graduation from Arts programs (ex. French 9, 10, and 11 or Intro Spanish 11 and Spanish 11).
- Students who struggle significantly with their English literacy skills may not want to add the stress of taking a second language (ask your gr. 8 teacher).
- If you speak and write ASL, Farsi, French, Punjabi, Spanish, Japanese, Mandarin, Farsi or Korean you can get a language 11 or 12 credit by writing the Language Challenge exam through the Delta School District, usually done in your grade 11 or 12 year

Choosing Electives

- It is critical that you take the time go on to the WJ Mouat website under (Parents & Students → Course Planning) and read the descriptions for each of the courses that you are interested in taking
