

# Grade 10 Course Planning 2022-23

# Grade 9 courses that I must pass first:

- English 9
- Math 9 / Mathématiques 9
- Social Studies 9 / Sciences humaines 9
- Science 9
- Physical Health Education 9 / Éducation physique et santé 9

# What do I do if I failed any of these?

- Repeat the course at W.J Mouat
- Repeat the course at summer school if the course is offered (usually only Math 9 is offered)
- If you know that you failed one of these courses in Semester 1, you must sign up for that course when you are selecting courses for next year

## Grade 10 course requirements:

- Literary Studies / Composition 10 (English 10)
- A Math 10: Workplace 10 or Foundations & Precalculus 10
- Social Studies 10 or Sciences humaines 10
- Science 10
- Career Life Education 10 or Éducation à la vie professionnelle 10
- Physical Health Education 10
- 2 electives or FRAL 10 + one elective for FI students
- +Numeracy 10 and Literacy 10 Assessment

## Fine Arts / Applied Skills and Second Language

- You must pass one Fine Art (Music, Art, Drama) or Applied Skills course (Business, Drafting, Foods, Textiles, Metal, Wood, Power Technology, Electronics and Robotics) at the grade 10, 11, **or** 12 level before you graduate. *Languages, Fitness & Conditioning, Outdoor Ed., PE, Student Leadership, Work experience and Journalism do NOT count as a Fine Art or App.Skill credit*
- A second language is **NOT required for graduation** but some post-secondary institutions do require a second language up to grade 11 for entrance (SFU, UBC). This means taking French 9, 10, 11 or German Intro 11, German 11 at Mouat or...
- If you speak and write French, Punjabi, Spanish, Japanese, Mandarin, or Korean you can get a language 11 or 12 credit by writing the Language Challenge exam through the Delta School District when you are in grade 11 or 12

# Choosing electives

- It is critical that you take the time go on to the W.J Mouat website under Student Services (Course Planning, Course Selection Guide) and read the descriptions for each of the courses that you are interested in taking to ensure that: you have the prerequisite course and % necessary for success, the course content interests you
- You should be choosing your electives based on personal interests and passions, applicability to future career, or to satisfy requirements for post-secondary
- The choices you make now are important. Course changes are always offered but are limited by space so you may not be able to change. Do your research and choose wisely!

# Thinking ahead to grade 11 :

- If you want to take academically rigorous courses in grade 11, your performance in grade 10 does matter! Most post-secondary institutions will look at your gr. 11 marks.

## Examples of required prerequisites:

- Precalculus Math 11: 60 % in Foundations & Precalc. 10
- Chemistry 11: 67% in Foundations 10, 73 % in Science 10
- Physics 11: 67% Foundations 10, 67 % in Science 10
- Life Science 11: 73% in Science 10

## Next steps:

- Read course descriptions on the school website
- Discuss course selections with your parent/guardian
- Log in to the Myeducation portal using your pupil number and password (same one that you use to see your timetable) If you have problems, email: [sherri.draayers@abbyschools.ca](mailto:sherri.draayers@abbyschools.ca)
- Click on **My Info**, then **Requests**, click at least 8 courses and 2 alternates, click **Post** to save
- Select and post your courses by **Feb. 24, 2022**
